CRAFT BEER MENU

ON TAP

GROWLER – Roaring Red Ale, 4% vol {North West} Probably the craft brewer's "coup de grace" when it comes to taking on the world of lager. These beers have a bigger malt character and need a little more bitterness to balance them. Expect a little caramel and roast malt character, low hop flavour with slightly firm bitterness in the finish.	55
SABIE GLYNNS GOLD – Pale Ale, 5% vol {Sabie} Glynn's Gold is an easy-drinking session beer based on a London Ale. The perfect blend of crystal clear water from the headwaters of the Sabie River, delicious hoppy, florally hints combined with pale malted barley produce a clear, crisp, well-balanced beer.	55
DARLING BREW – Extreme Lager, 4% vol {Darling} Dark, golden lager with a refreshing hoppy flavour rounded off with a mild bitterness. Smooth and sweet with great body, this Darling Brew has banana undertones, and due to its low alcohol content its large size is not a problem.	55
LEMON EISH TEA – Alcoholic Ice Tea, 4% vol {Johannesburg} From the Growler Brewing Company comes this unique alcoholic ice tea. Made with a combination of organic rooibos and black tea blends with lemon juice, honey and spirits, this one of a kind drink has a refreshing smack of lemon. Perfect for a hot summers day!	55

BOTTLED

DARLING SUN GAZER – Light Lager, 2.6% vol {Darling} With medium aromas and faint floral undertones, the Sun Gazer is inspired by the giant lizard, so called because it stands with its body elevated at the entrance to its burrow as though it is seeking sun. This beer is refreshing and unusual, just like the sungazer lizard.	55
DARLING ROGUE PONY – Pale Ale, 5% vol {Darling} With a mild body and a hint of straw and honey, this is the perfect companion to days at the pool and summer nights. It's easy drinking, refreshing and incredibly seasonable.	55
GROWLER – Bushveld Blonde Ale, 4% vol {North West} Bushveld Blonde has the honey-like sweetness and fruitiness associated with many ales while maintaining a crisp clean aftertaste and bitterness often linked with our lagers. The even balance and medium low body makes for an easy drinking, thirst quenching beer.	55
ACES – Premium Lager, 4% vol {Johannesburg} Pale golden in colour and crystal clear from the filtration process with a white frothy head which lingers. Well balanced flavours between maltiness and bitterness, without one overpowering the other. Medium hop bitterness which doesn't linger with slight hop flavours, giving a crisp, clean lager. Medium-Light in body with just enough carbonation.	55
SABIE LONG TOM LAGER – Dunkel, 5% vol {Sabie} Dunkel is a slow-conditioned, well-balanced beer with strong malty flavour, derived from chocolate wheat malt, with crystal and saaz hops providing an alluring aroma.	50
SABIE DRAVIDIAN DRAUGHT – Indian Pale Ale, 5.5% vol {Sabie} This Indian Pale Ale is recreated to the original recipe – big on style, flavour and hops.	50
SABIE WHEELBARROW WEISS – Weiss, 4.7% vol {Sabie} Wheelbarrow Weiss is fermented with a special weiss ale yeast, creating a typical wheat beer. Light in character, very effervescent and providing a kickas sharp as Patterson's donkey! Enjoy this unique style with a slice of lemon.	50
JACK BLACK – Lager, 5% vol {Cape Town} This traditional full bodied lager achieves great balance between hop bitterness and malt sweetness. It delivers a crisp and refreshing taste that never disappoints.	50
JACK BLACK BUTCHER BLOCK – Pale Ale, 5.4% vol {Cape Town} An award winning Pale Ale, smooth in body with a distinctive flavour profile and a decidedly fresh taste. Refreshing characteristics balanced with rich malt complexity and a bitterness that lingers to the finish. Floral aroma with a rich malt complexity. This beer is well-rounded and perfectly balanced.	50
JACK BLACK LUMBERJACK – Amber Ale, 6% vol {Cape Town} Medium to full bodied with a dark red-brown hue. This award winning beer has complex malt character driven by loads of dark roasted crystal malt. Our brewer uses mountains of hops to balance this malt, making Lumberjack an outstanding beer to savour with rich-style foods. With roasted flavours, pine aromas, intense hop flavour and full body.	50
REDROCK STORM RIDER – Pilsner, 4% vol {Johannesburg} Inspired by the iconic Doors song, the crisp and clear finish of this all-malt refreshing pilsner celebrates the freedom of the open road and complements the outdoors. Our Master Brewer has crafted together a selection of the finest quality coloured speciality malts, perfectly balanced by no less than four different hops from the USA and Europe all delivering a full hops from flavour with a distinctive spicy nose.	40
REDROCK FIREBIRD – Indian Pale Ale, 4% vol {Johannesburg} Firebird was created to capture the essence and freedom of driving along on an open road on a smooth summer evening in an American icon. Our specially patented German "Hop Gun" extracts the maximum aromatics for a unique hoppy sensation with perfect bitterness. Our Master Brewer's unusual selection of Belgium malt has created a counter point to the hop character.	40
